3-year campaign pledge

WHY SHOULD I CONSIDER GIVING?

When you give to St. Stephen A.M.E. Church it provides us the opportunity to serve the interests that have been important to all of us for almost 150 years:

- Developing children and youth into faithful disciples of Jesus
- Serving the needs of the community and world through missions
- Maintaining our history and tradition in the East Garfield area
- Welcoming all people
- Deepening people's faith and giving them hope

It will give you the satisfaction of knowing that St. Stephen will continue to move forward, changing lives today and for generations to come.

Please, prayerfully reflect on what your gift will be and make that commitment!
